CROP PERFORMANCE

# PRODUCT GUIDE

Welcome to the NexStar Crop Performance™ product guide. In this book you will find all the right tools to help your farmers improve nutrient use efficiency, build strong healthy plants fast, and optimize in-season genetic potential—delivering more bushels for less.

All of these tech sheets and more resources are available at [NexStarAg.com](http://NexStarAg.com). If you need printed materials, contact your Five Star Cooperative Agronomy Sales Representative.
